RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

On April 5, 2004, Applicants received a Notice of Non-Compliant Amendment, dated April 2, 2004. The notice indicated that claims 1-7 were missing from the amendment faxed to the PTO on March 18, 2004.

On March 18, 2004, Applicants fax-filed a complete Rule 111 amendment, including claims 1-7 as well as all other pending claims. This amendment consisted of

11 pages, as evidenced by Applicants' own fax transmission report, a copy of which is annexed hereto. Applicants then received two different Auto-Reply Facsimile Transmission reports from the PTO; one acknowledging 10 pages and one acknowledging 2 pages. Copies of these are annexed hereto. Thus, it appeared that the PTO may have received a duplicate of one of the 11 pages, but that certainly all 11 pages were received.

In the event that the Examiner did not receive a complete amendment, i.e., all 11 pages, it would appear that this occurred through some error at the PTO's receiving fax machine.

In any case, Applicants now enclose a complete copy of the amendment that was originally faxed on November 18, 2004, which includes a complete listing of all of the claims. Hopefully, a correct Auto-Reply Facsimile Transmission acknowledgment will be generated, and the Examiner will receive the complete contents of this transmission.
